DIMONT Opens New Office in San Diego

- Provides jobs for ten licensed adjusters and 15 support staff -

DALLAS, Sept. 15, 2015 – [DIMONT](#), the longest-serving provider of hazard claims insurance processing services to the residential and commercial mortgage industries in the United States, today announced that the company has opened a new office in San Diego, the site of the organization's original headquarters when the company was first founded.

Conveniently located in Mission Valley, near to the airport and the heart of the city, DIMONT's new, modern office provides a collaborative workspace for ten licensed insurance adjusters and 15 support personnel, along with meeting rooms for visiting clients. It will serve as a key part of DIMONT's business continuity plan by providing redundant claims processing capabilities.

"We're proud of this significant upgrade to our facilities in San Diego, the birthplace of DIMONT. Our new office is a great working environment for our licensed adjusters that are based on the West Coast, and it will further enhance our business continuity capabilities," said Denis Brosnan, president and chief executive officer of DIMONT.

About DIMONT

Dallas, TX -based DIMONT is a leading technology-enabled provider of insurance-related services and is the longest-serving provider of hazard claims insurance processing services to the residential and commercial mortgage industries in the United States.
